A clear glass ring with a faceted crystal base. The ring is positioned diagonally across the frame, with the base at the bottom left and the ring extending towards the top right. The base is a dark, rectangular, faceted crystal piece. The ring itself is made of clear glass and has a simple, elegant design. The background is a light, neutral color, possibly white or light gray, which makes the glass and crystal stand out.

The image shows a close-up of a blue glass surface with a textured, bubbled pattern. A white rectangular label is affixed to the right side of the glass. The label contains the text "Linea Vetri Venezia Venezia Glass Line" in a white, elegant script font. The glass has a rich blue hue and the bubbles vary in size, creating a complex, organic texture. The lighting highlights the three-dimensional quality of the bubbles and the smooth surface of the label.
